

### REMARKS

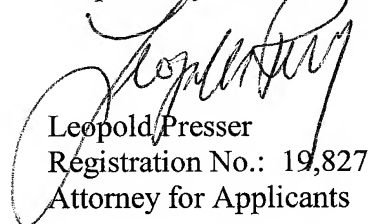

Applicants respectfully request that in view of the Advisory Action of May 15, 2007, wherein the Examiner indicated the allowance of Claims 1, 3, 4 and 10-14, the present Supplemental Amendment be entered herein so as to place this application into order for allowance.

Concerning the foregoing, in full compliance with the Examiner's requirements, the rejected claims, Claims 2, 5-7 and 15-19 have been cancelled from the present application, while reserving the right to file a divisional application directed thereto in due course, so as to limit the presently pending claims to those indicated to have been allowed by the Examiner.

Accordingly, inasmuch as the claims now being presented herein are those deemed allowed by the Examiner, applicants respectfully request withdrawal of the final rejection of this application and issuance of the Notice of Allowance in due course.

In the event that the Examiner has any queries concerning the instantly submitted Amendment, applicants' attorney respectfully requests that he be accorded the courtesy of possibly a telephone conference to discuss any matters in need of attention.

Respectfully submitted,
